25X1

REFERENCE : Your memo to multiple addres., dtd 15 July 75;  
Subject: Augmentation of IG Staff

25X1 1. The Comptroller has nominated [REDACTED] as  
a candidate for appointment as an Inspector on the Inspection Staff  
of the Inspector General.

25X1 2. [REDACTED] is very much interested in such an appoint-  
ment and feels that his DDI experience, ICS experience, and his tour  
with the Office of the Comptroller provide certain unique qualifications  
25X1 which would be of value to a revitalized inspection program. Mr. Iams  
hopes that [REDACTED] will be given serious consideration for such  
an assignment since he has completed two years in the Office of the  
Comptroller and should be considered for rotation and new experiences  
at this time.

MEMORANDUM FOR: Deputy Director for Operations  
Deputy Director for Intelligence  
Deputy Director for Administration  
Deputy Director for Science and Technology  
Administrative Officer/DCI

SUBJECT : Augmentation of IG Staff

1. I have just sent a memorandum to the DCI concerning the IG Inspection Staff. Included among the recommendations is one increasing the size of the Inspection Staff from the present three to ten. I have already discussed this recommendation with the DCI and received his tentative approval. In order to expedite the selection of the additional inspectors needed I am sending the request to you, prior to receiving formal DCI approval.

2. At present we really have four inspectors on board: Leader - DDO, [ ] - DDI/DDO, [ ] - DCI area, [ ] - DDA [ ] has just turned over her [ ] and by agreement with the DCI has been assigned full time to the Inspection Staff). Thus we need six additional inspectors. I propose that four of these come from inside the Agency, and two from outside. One of the latter would be from the non-intelligence side of the government (Civil Service, Justice (not FBI), etc.), the other from the intelligence community. These are in line with recommendations from the Presidential Commission.

3. Of the four internal assignees I believe that one should definitely come from the DDS&T and one from the DDO. The other two should be selected on the basis of competence but leaning toward the DDA and DDI. We need experienced, broad-gauged individuals, with an investigative - analytical type of mind, good writers, who would be interested in a three year tour with the Inspector General. Among them could be an additional woman assignee, plus possibly a member of the racial minorities. We seek people in the GS-15 to 17 range, not necessarily approaching retirement.
